### Product Benefits & Features

#### Know exactly which areas of your hob are still warm

Positioned to the side of the relevant heat source, the residual-heat indicators on this hob allow you to clearly see which heat sources are still warm.

#### All-in-one controls for both your oven and your hob

To maintain the lines of your kitchen's design, the controls for this hob are integrated into the panel on your oven, so there's no need for any controls on the hob itself.

- Hob without controls, for combination with oven or separate control panel
