### Identification

|                          |                         |
|--------------------------|-------------------------|
| Category                 | Hoods/Housings          |
| Series of hoods/housings | Han A®                  |
| Type of hood/housing     | Surface mounted housing |
| Type                     | High construction       |

### Version

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Locking type         | Double locking lever                                |
| Han-Easy Lock®       | Yes                                                 |
| Size                 | 32 A                                                |
| Version              | Side entry                                          |
| Cable entry          | 2x Pg 29                                            |
| Field of application | Standard Hoods/housings for industrial applications |

### Technical characteristics

|                                        |                 |
|----------------------------------------|-----------------|
| Limiting temperature                   | -40 ... +125 °C |
| Degree of protection acc. to IEC 60529 | IP65            |
| Type rating acc. to UL 50 / UL 50E     | 4<br>4X<br>12   |

### Material properties

|                                                            |                                  |
|------------------------------------------------------------|----------------------------------|
| Material (hood/housing)                                    | Aluminium die-cast               |
| Surface (hood/housing)                                     | Powder-coated                    |
| Colour (hood/housing)                                      | RAL 7037 (dust grey)             |
| Material (locking)                                         | Polycarbonate<br>Stainless steel |
| Colour (locking)                                           | RAL 7037 (dust grey)             |
| Material flammability class acc. to UL 94 (locking levers) | V-0                              |
| RoHS                                                       | compliant                        |

Pushing Performance

## Material properties

|                             |           |
|-----------------------------|-----------|
| ELV status                  | compliant |
| China RoHS                  | e         |
| REACH Annex XVII substances | No        |
| REACH ANNEX XIV substances  | No        |
| REACH SVHC substances       | No        |

## Specifications and approvals

|           |                                                            |
|-----------|------------------------------------------------------------|
| Approvals | DNV GL                                                     |
| UL / CSA  | UL 1977 ECBT2.E235076<br>CSA-C22.2 No. 182.3 ECBT8.E235076 |

## Commercial data

|                       |          |
