5.	Fire Fighting Meas	sures		
5.1	Suitable Extinguishing	Agents:		
	Water, Dry Chemica	ıl, Foam		
5.2	5.2 Unsuitable Extinguishing Agents:			
	None.			
5.3	In the event of fire the	following may be released:		
	CO, CO <sup>2</sup>			
5.4	Special Protective Equ	ipment for Fire Fighting		
	Use breathing appar	atus with independent air supply		
6.	Accidental Release	Measures		
	Not applicable			
7.	Handling and Stor	age		
7.1	Handling			
Please note processing instructions. If the material is strongly overheated, gaseous decomposition byproducts (monomers and other decomposition products) may be released.				
7.2	Protection against fire and explosion			
	No special measures	required		
7.3	Storage			
	Keep in a cool, dry j	blace		
<u>8.</u>	Exposure Controls	/Personal Protection		
8.1	Information additional	to the technical enclosures		
	If the area is suitably	v ventilated, then it can be safely assumed that	t the limit will not be reached.	
8.2	<b>Components with worl</b> Not applicable	x place limits which need to be observed		
8.3	Personal Protection M	easures		
	Normal protective a	nd hygiene measures suffice.		
8.4	General Protection and	l Hygiene Measures		
	Wash hands after we	orking with the material, in particular before e	eating, drinking or smoking.	
	Hand Protection:	: N N N	Jot required

#### MATERIAL SAFETY DATA SHEET – EU (acc. to 91/155 EWG)

Page 4 of 4

Product:	Type TEB Cable Breakouts &	
	Type TEC End Caps	
		Issued : 13.06.2005

Supplier: Thomas & Betts Europe C.V.

## **<u>15. Regulatory Information</u>**

#### 15.1 Marking Instructions according to EU Directives

Risk Designation:	Not Applicable
Product contents:	
R-Sentences:	
S-Sentences:	11
	m rot i ppilouoio

### 15.2 National Regulations

With reference to the German *Gefahrstoffverordnung* (Regulation on hazardous goods) there are no hazardous materials.

With reference to EU Directives the product does not require any classification or special marking. *Verordnung über brennbare Flüssigkeiten VbF* (Regulation on combustible fluids): Not Applicable *Wassergefährdungsklasse (WGK)* (Class of Danger for Water Pollution) : 0 in general not dangerous for water
