- 
- Diagram of the rear panel of the 1300 computer system. The panel features several connectors and modules:
- Top Left:** A connector labeled "CEE 63" with a corresponding module below it.
  - Top Right:** Two rows of connectors labeled "R03" and "R04", each with a corresponding module below it.
  - Middle Right:** A connector labeled "FI" with a corresponding module below it.
  - Bottom Right:** Two rows of connectors labeled "FI" and "OD", each with a corresponding module below it.
  - Bottom Left:** A connector labeled "CEE 16" with a corresponding module below it.
  - Bottom Center:** A connector labeled "CEE 32" with a corresponding module below it.
  - Bottom Right:** A connector labeled "CEE 1300" with a corresponding module below it.
- An upward-pointing arrow is located on the left side of the panel, indicating the direction of connection or flow.
