Paulmann Business Datenblatt

Produktname:	Vintage Edition 230 V Standard LED Globe E27 400lm 4,7W 2700K Gold
Artikelnummer:	29289
EAN-Nummer:	4000870292891
Hersteller:	Paulmann

Beschreibungstext:
This decorative globe made of gold glass creates a unique refraction of light with its three sculptural glass indentations, ensuring impressive lighting effects! The elegant design of this high-quality light bulb becomes a visual highlight, especially in pendant lights without light bulbshade and in table or wall lights. With a diameter of 150 mm and a power of 4.7 W and 400 lm, the Globe emits light in all directions. It fits into any E27 socket and creates a cosy lighting ambience with a warm white colour temperature of 2700 K. The brightness can be dimmed in three stages (100%, 50%, 25%) using a standard light switch. For maximum convenience, the integrated memory function saves the setting until the next time the light is switched on.

Lichttechnische Daten

Leuchtenlichtstrom: 400 lm

Farbwiedergabe (CRI): > 80

Leuchtmittel: 4,7 W

Elektrische Daten

Eingangsspannung: 230 V

Mechanische Daten

Abmessungen: H: 185 mm

Material: Glass

Farbe: Gold

Gewicht: 0,148 kg
